From Vision to Reality

Building the Major Projects that Shape the Future.

MGE GROUP | STRATEGIC PARTNER IN ENGINEERING, REALIZATION & FINANCE

Your Ambition is Our Starting Point.

Major projects are not born from caution, but from bold vision. Whether you are a public institution developing vital infrastructure or a private investor aiming for a structural asset, the goal is the same: creating lasting impact and tangible value.

Develop Critical Infrastructure

Catalyze Growth

Leave a Legacy

The Ecosystem of Complexity

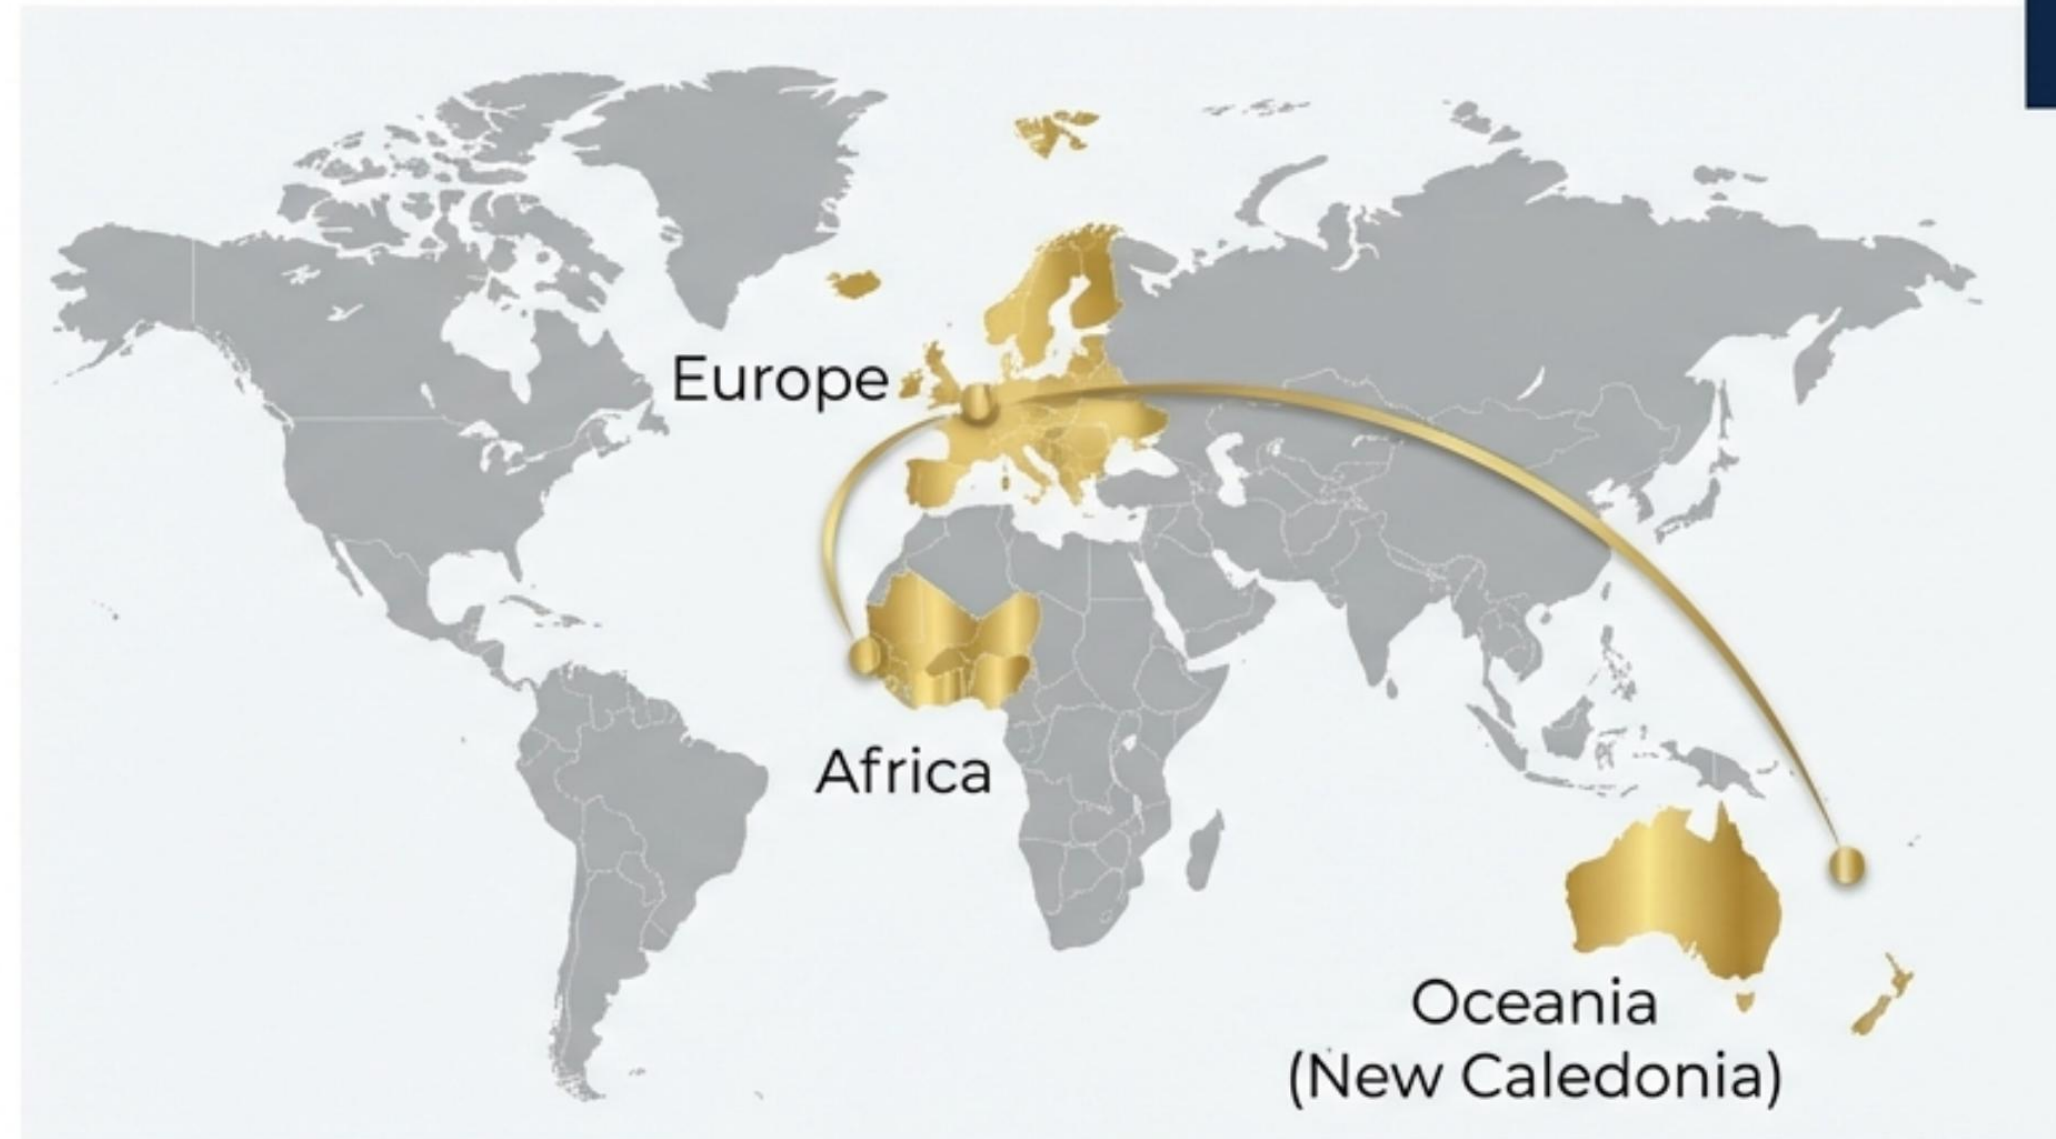

Between the vision and the realization lies a minefield of critical parameters.

MGE Group: Your Strategic Partner

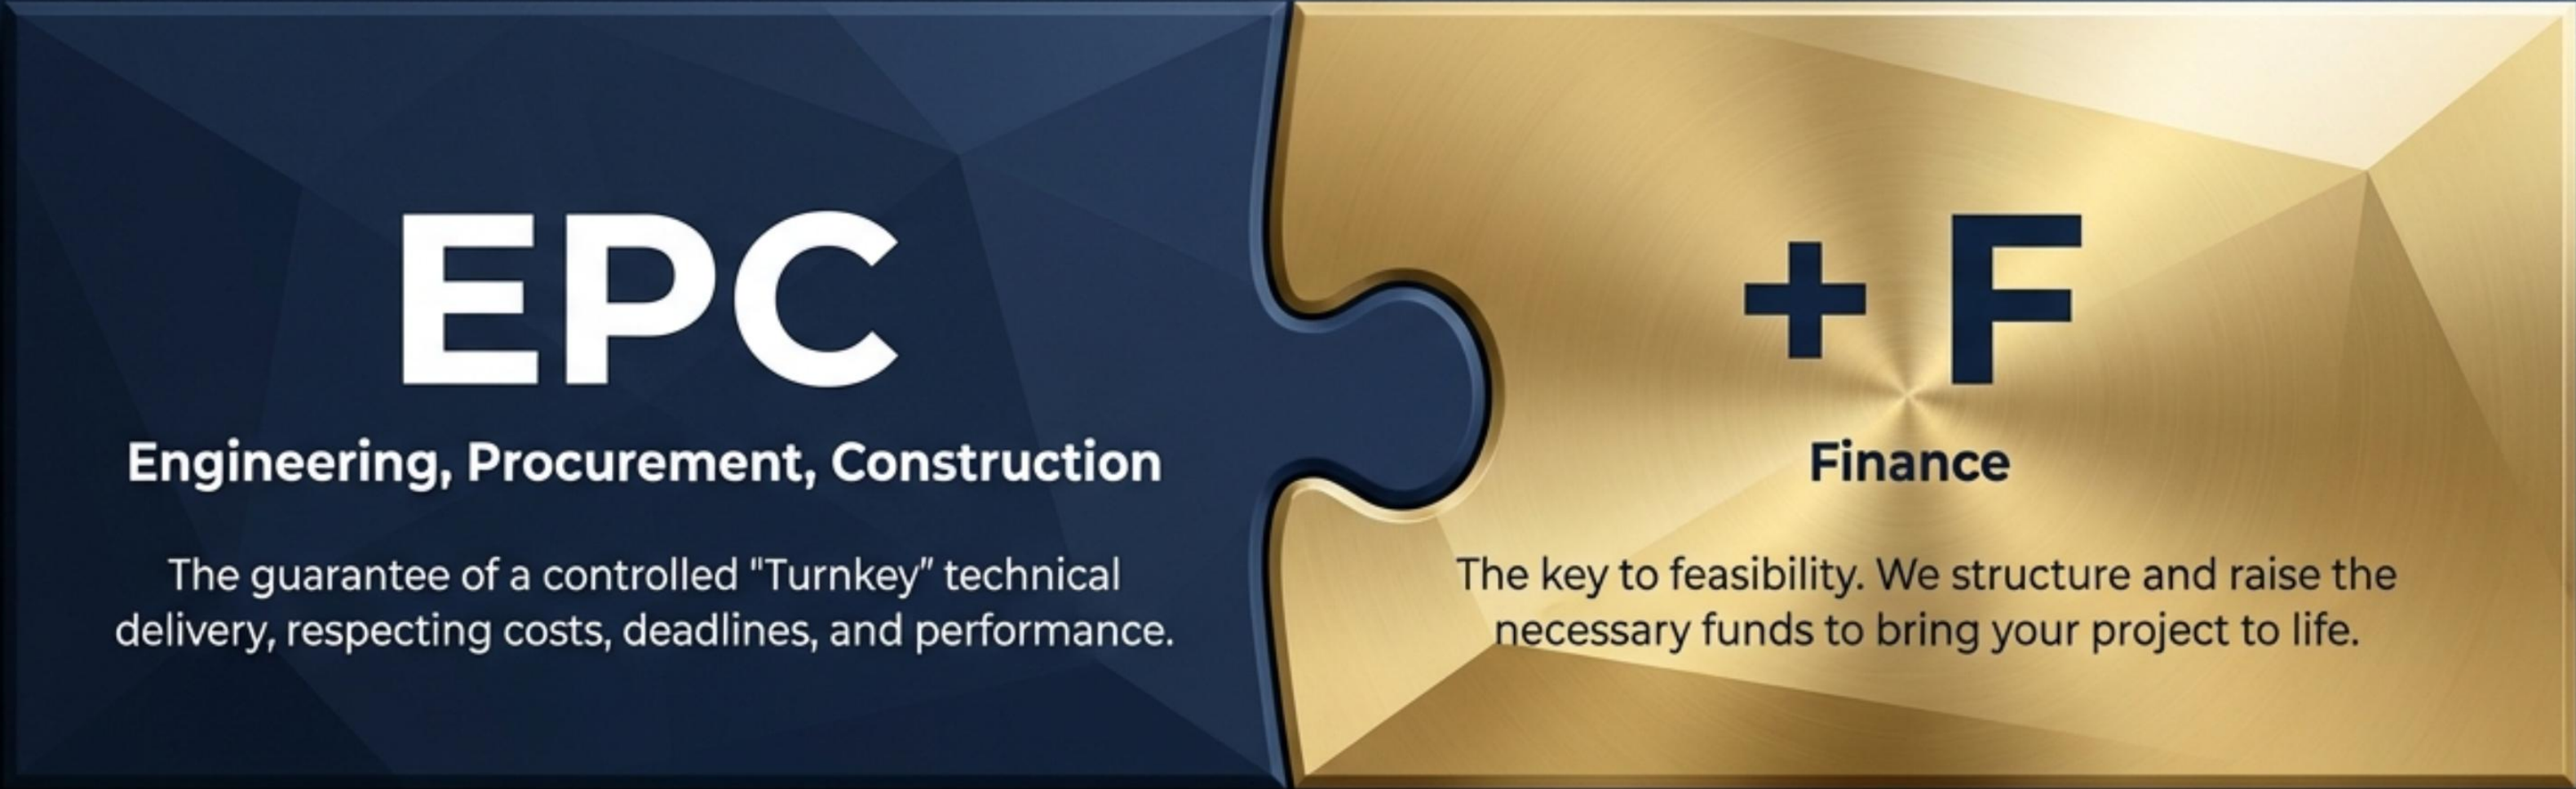

MGE Group is an independent consulting and engineering firm that transforms visions into concrete successes.

We are not just a service provider; we are the **Single Point of Contact** integrating every dimension of your project.

Global Vision, Local Execution.

Our Integrated Solution: The EPC + F Approach.

EPC

Engineering, Procurement, Construction

The guarantee of a controlled "Turnkey" technical delivery, respecting costs, deadlines, and performance.

+ F

Finance

The key to feasibility. We structure and raise the necessary funds to bring your project to life.

One Interlocutor. Global Responsibility. Secured Delivery.

Engineering & Consulting Excellence

Technical Consultancy (BET)

Solid technical foundations for your project.

- Feasibility Studies (Technical, Economic, Environmental)
- Design Phases (APS/APD/PRO)
- Project Supervision (MOE)

Project Management Assistance (AMO)

Your vision protected, your interests defended.

- Strategic advice and operation structuring
- Global coordination and piloting
- Administrative and financial management

Mastering Execution: The Heart of EPC

Engineering

From detailed design to specialized studies, we precisely define every aspect of construction.

Procurement

We manage strategic acquisition and logistics, optimizing costs and quality.

Construction

We ensure site direction, assembly, and commissioning, guaranteeing delivery that meets requirements.

The '+ F': Transforming Feasibility into Reality.

We don't just build; we structure the economic viability of your ambition. Our financial expertise transforms a technically feasible project into a bankable, profitable investment opportunity.

- ✓ **Financial Structuring:** Robust business plans and detailed analyses.
- ✓ **Fundraising:** Targeted approach to international lenders and banks.
- ✓ **Negotiation:** Securing optimal terms and structures.
